## STATEMENT OF FACTS

Your affiant, [REDACTED] is a Task Force Officer assigned to the Federal Bureau of Investigation's (FBI) Columbia Field Office. Currently, I am tasked with investigating criminal activity in and around the Capitol grounds on January 6, 2021. As a Task Force Officer, I am authorized by law or by a Government agency to engage in or supervise the prevention, detention, investigation, or prosecution of a violation of federal criminal laws.

The U.S. Capitol is secured 24 hours a day by U.S. Capitol Police. Restrictions around the U.S. Capitol include permanent and temporary security barriers and posts manned by U.S. Capitol Police. Only authorized people with appropriate identification were allowed access inside the U.S. Capitol. On January 6, 2021, the exterior plaza of the U.S. Capitol was also closed to members of the public.

On January 6, 2021, a joint session of the United States Congress convened at the United States Capitol, which is located at First Street, SE, in Washington, D.C. During the joint session, elected members of the United States House of Representatives and the United States Senate were meeting in separate chambers of the United States Capitol to certify the vote count of the Electoral College of the 2020 Presidential Election, which had taken place on November 3, 2020. The joint session began at approximately 1:00 p.m. Shortly thereafter, by approximately 1:30 p.m., the House and Senate adjourned to separate chambers to resolve a particular objection. Vice President Mike Pence was present and presiding, first in the joint session, and then in the Senate chamber.

As the proceedings continued in both the House and the Senate, and with Vice President Mike Pence present and presiding over the Senate, a large crowd gathered outside the U.S. Capitol. As noted above, temporary and permanent barricades were in place around the exterior of the U.S. Capitol building, and U.S. Capitol Police were present and attempting to keep the crowd away from the Capitol building and the proceedings underway inside.

At such time, the certification proceedings were still underway and the exterior doors and windows of the U.S. Capitol were locked or otherwise secured. Members of the U.S. Capitol Police attempted to maintain order and keep the crowd from entering the Capitol; however, shortly around 2:00 p.m., individuals in the crowd forced entry into the U.S. Capitol, including by breaking windows and by assaulting members of the U.S. Capitol Police, as others in the crowd encouraged and assisted those acts.

Shortly thereafter, at approximately 2:20 p.m. members of the United States House of Representatives and United States Senate, including the President of the Senate, Vice President Mike Pence, were instructed to—and did—evacuate the chambers. Accordingly, the joint session of the United States Congress was effectively suspended until shortly after 8:00 p.m. Vice President Pence remained in the United States Capitol from the time he was evacuated from the Senate Chamber until the sessions resumed.

During national news coverage of the aforementioned events, video footage which appeared to be captured on mobile devices of persons present on the scene depicted evidence of

violations of local and federal law, including scores of individuals inside the U.S. Capitol building without authority to be there.

Four individuals contacted the FBI tip line separately to report that John and Stacie Getsinger (John Hubert Getsinger Jr. and Stacie Ann Hargis-Getsinger) traveled from Hanahan, South Carolina to participate in the protest and subsequent riot at the U.S. Capitol Building in Washington, D.C. An anonymous caller (W1) stated a video exists of the Getsingers entering the Capitol Building saying, "This is War! We're storming the Capitol!"

A second individual (W2) submitted a tip advising W2 is part of a Facebook group where Stacie Getsinger posted about being inside the Capitol Building.

A third individual (W3) submitted an online tip to the FBI stating W3 is a family member of Stacie Getsinger and knows John and Stacie Getsinger were involved in storming the Capitol Building. W3, who wished to remain anonymous, sent an email to affiant following a telephone conversation with W3. The email, which is provided below, is a screen capture of a Facebook post made by Stacie Getsinger on January 6, 2021 admitting to going inside the Capitol Building during the riot.

We went to the capital after President Trumps speech. When we arrived Alex Jones was there and told us all to go to the other side of the bldg for Trumps next speech. When we got there a large group was on the stairs and kept moving forward towards the door. I only saw 2 or 3 people who looked even remotely like antifa members. The Capital bldg is the peoples house. WE the citizens own it.

Once it was stormed we also went inside. Police were using percussion grenades, batons and tear gas even before the major pushing and shoving started. Inside they kept dropping tear gas inside the capital. 1 girl was shot and killed by capital police. We never saw any national guard engaging any persons at all. We never saw any damage inside the capital bldg. We never saw anyone headed towards the congressional chamber. The media is making this out that we stormed the capital with guns and bats. Not true. This election was rigged, and this ain't over.

And I want to add Us Patriots were peaceful and literally sharing hand warmers and singing and being vocal. Not one weapon. Not one fire.

On February 1, 2021, affiant spoke with a fourth individual (W4) who stated W4 preserved some now deleted Facebook posts showing John and Stacie Getsinger at the Capitol Building on January 6, 2021. W4 also provided four videos W4 said he/she had obtained from Facebook Live which had been live-streamed by someone who identified herself as Stevie Sims. A video shows John and Stacie Getsinger at the door of the Capitol Building in front of Sims.

W4 advised and sent screen captures that the Getsingers and others were coordinating rides to Washington, D.C. on a public Facebook group called “Berkeley County Growth & Development.”

Figure 4: Screen capture sent by W4 showing Stacie Getsinger posting on the Berkeley County Growth & Development Facebook page.

The screenshot shows a Facebook comments section on a mobile device. At the top, it says "Comments". Below that, several users have posted their thoughts:

- A user with a blacked-out profile picture says: "Because it's not relevant to Berkeley county's growth, nor development." This comment has 1w Like and 42 reactions.

A review of security camera footage from the Capitol Building show two individuals who law enforcement believe to be John and Stacie Getsinger enter the Capitol Building (Figure 6) and remain inside for an extended period of time on January 6, 2021.

Figure 6: John and Stacie Getsinger entering Capitol Building on January 6, 2021.

A review of CCTV footage from the Rotunda show two individuals who law enforcement believe to be John and Stacie Getsinger enter the area. At some point, the individual who law enforcement believes to be John Getsinger enters the view of the camera appearing to use his cellular device. (Figure 7).

Figure 7: John and Stacie Getsinger in the Rotunda while John Getsinger appears to use his cellular device.

John Getsinger remains on the phone as both John and Stacie walk across the Rotunda. (Figure 8).

Figure 8: John and Stacie Getsinger continue to walk across the Rotunda as John Getsinger remains on his cellular device.

After exiting the Rotunda, two individuals who law enforcement believe to be John and Stacie Getsinger can be seen sitting on a bench near where they originally entered the U.S. Capitol (Figure 9). At this point, it appears that the individual law enforcement believes to be John Getsinger had removed his woodland camouflage jacket. Law enforcement still believes this individual to be John Getsinger based on additional clothing items to include the shoes and red hat that resemble the hat and shoes that the individual believed to be John Getsinger had on in the Rotunda. (Figure 10). Shortly after they are viewed at the bench, the individual believed to be John Getsinger is seen holding hands with an individual who law enforcement believes to be Stacie Getsinger (Figures 10 and 11).

On May 10, 2021, pursuant to a search warrant authorized in the District of Columbia, law enforcement obtained records from Google related to service provided at the U.S. Capitol. John Getsinger's cellular device was identified as having utilized a cellular site consistent with the geographic area that included the interior of the U.S. Capitol building in and around the time of

the incident on January 6, 2021. Records further indicate, John Getsinger's telephone number ending in 5186, was active on Google cellular towers at approximately 2:44 PM EST on January 6, 2021.

Pursuant to a search warrant authorized in the District of Columbia, law enforcement obtained subscriber information for Facebook accounts believed to belong to John and Stacie Getsinger. The subscriber information for the account belonging to John Getsinger had a verified phone number that matches the phone number from records obtained from Google.

In reviewing John Getsinger's and Stacie Getsinger's Facebook records, after the riot, John Getsinger acknowledges his presence in the U.S. Capitol (Figure 12).

Law enforcement compared the screenshots provided by the witnesses and the footage from the CCTV with photos obtained from the Department of Motor Vehicles for the State of South Carolina. Based on this comparison, law enforcement believes that individuals in the screenshots provided by the witnesses and the footage from the U.S. Capitol's CCTV are John and Stacie Getsinger.

Based on the foregoing, your affiant submits that there is probable cause to believe that John Hubert Getsinger Jr. and Stacie Ann Hargis-Getsinger violated Title 18 U.S.C. §§ 1752(a)(1) and (2), which make it a crime to: (1) knowingly enter or remain in any restricted building or grounds without lawful authority to do so; and (2) knowingly, and with intent to impede or disrupt the orderly conduct of Government business or official functions, engage in disorderly or disruptive conduct in, or within such proximity to, any restricted building or grounds when, or so that, such conduct, in fact, impedes or disrupts the orderly conduct of Government business or official functions; or attempts or conspires to do so. For purposes of Section 1752 of Title 18, a “restricted building” includes a posted, cordoned off, or otherwise restricted area of a building or grounds where the President or other person protected by the Secret Service, including the Vice President, is or will be temporarily visiting; or any building or grounds so restricted in conjunction with an event designated as a special event of national significance.

Your affiant submits there is also probable cause to believe that John Hubert Getsinger Jr. and Stacie Ann Hargis-Getsinger violated Title 40 U.S.C. §§ 5104(e)(2)(D)and(G), which make it a crime to willfully and knowingly: (D) utter loud, threatening, or abusive language, or engage in disorderly or disruptive conduct, at any place in the Grounds or in any of the Capitol Buildings with the intent to impede, disrupt, or disturb the orderly conduct of a session of Congress or either House of Congress, or the orderly conduct in that building of a hearing before, or any deliberations of, a committee of Congress or either House of Congress; and (G) parade, demonstrate, or protest in any of the Capitol Buildings.
